

Ohio Republican Party State Central & Executive Committee
C00162339 (9/1/06-9/30/06)

This letter is in response to your question regarding a contribution made to the Joy Padgett for Congress Committee. This was a legal contribution for her primary because it was a special election after Bob Ney stepped down. The primary was held on September 14, 2006 and the contribution was made September 14, 2006. This should be a legal contribution. Please contact me if this assumption is incorrect.

Sincerely,
Terri Matthews-Controller
